Dear Mr. Sherman:

Please excuse us for the delay in answering your request.

Per our Registrar, I find that we have no statistics^{on} the percentage of veterans admitted to HBS. The Admissions Office keeps sketchy records on veterans but not on Viet Nam veterans specifically.

To check for a more broad range of statistics you may be able to find something by calling the American Assembly of Collegiate Schools of Business in St. Louis, 314/872-8481. Of course, this will only be of assistance to you if you are looking for business schools in general, and not just Harvard.

Please let me know if I can be of further help.

Sincerely,
